DI Skype For Mac Ipad Gen 1

3 5, I believe you need to attempt to queue the older download from the App Store in iTunes (try to remove/add it again, if it is already present).. You can try this with the iPad mini synced or if the same Apple ID is used, after re-adding it iTunes, you can try to add it again from the store on the iPad and it might prompt/allow you to install a supported older version.. Thanks! Your message has Skype for iPad is a free 16MB download and will work with any iPad, although an iPad 2 is needed to make video calls.. I guess you are referring to the iPad mini 1st generation, The iPad 1st generation and its older iOS (5.. The Apple store provides the latest version that requires iOS 10 If your iPad can run no greater than iOS 9.. To get the mobile app, enter your email and we'll send a download link Your message is being sent.

Here's the description from the App Store download page.
